The Story Thus Far

When Haruto meets Haruto in high school, he tells her he plans to "get revenge for elementary school." Haruto learns that she and Haruto went to the same elementary school, where he was "Haru," a boy who was viciously bullied for looking like a girl. Haruto wasn't one of the bullies, but Haru had a crush on her and feels that she brushed him off. Now that they're in high school, Haruto tries to reform Harato, who has changed completely from what he was as a child. At the same time, she finds herself falling in love with him.

Meanwhile, Haruto's friend Haru has a crush on Kanyama, who doesn't return her feelings. For some reason, Kanyama argues with Haruto over every little thing. Kanyama seems like the type who will kiss anybody, but when he tries to kiss Haruto, she tells him, "I will kiss only the person I love." Then she kissed Haruto. From that moment, the two became very close...

MANGA FROM THE HEART

THE REAL
DRAMA BEGINS
IN...

TOKYO DREAMS

Mimori Kosaka's dream comes true when she's accepted to the Meidai Attached High School and gets to wear their super-fashionable uniform! She's excited about having a fun freshman year, but things don't turn out as effortlessly as she had hoped.

Mimori has finally become Atsushi's girlfriend! At an amusement park Mimori waits several hours in the rain for Atsushi, not knowing that he's been called away and can't return. She eventually collapses and wakes up in a hospital bed with Kazukita at her side!

When they go to class, Kazukita announces to the whole class that he was with Mimori at the hospital. Atsushi and Nana are shocked. Nana renounces their friendship and Kazukita goes home, claiming a fever!
